Warrant Nos. G-116860, G-116861

Dear Chief Goward:

Enclosed please find a Subpoena Deuces Tecum requiring your department to produce certain tapes and documentation relative to our client, Robert B. Holt. This includes, but is not limited to, all taped and/or written communication records (whether over radio, telephone, or otherwise) between each and every officer involved in the investigation and/or arrest of our client with other officers (from any agency whatsoever) as well as with dispatch. It is our understanding that these tapes are only held for a period of thirty (30) days before being taped over. This subpoena also requires that these tapes be kept in their original condition and not be destroyed, taped over, or altered in any way whatsoever. If it is not feasible for your department to mail us a copy of these communication records, please contact our office and someone will come to your department and make a copy.

This subpoena must be fulfilled no later than September 5, 2000. If you have any questions, please feel free to contact our office.

With kind regards, I am

Truly yours,

Please see if you can arrange to have a certified copy given to the courier of this FOIA, Ms. Irene Santacroce, while she waits in fulfillment of this FOIA.

Thank you very much.
